OFFICE OF PETITIONS

In re Application of	:	
Thanh Tran et al.	:	
Application No. 09/382,553	:	ON PETITION
Filed: August 25, 1999	:	
Attorney Docket No. 99-P-7755-US	:	

This is a decision on the petition under 37 CFR 1.137(b), filed May 2, 2003, to revive the above-identified application.

The petition is Dismissed.

Any request for reconsideration of this decision must be submitted within TWO (2) MONTHS from the mail date of this decision. Extensions of time under 37 CFR 1.136(a) are permitted. The reconsideration request should include a cover letter entitled "Renewed Petition under 37 CFR 1.137(b)." This is **not** final agency action within the meaning of 5 U.S.C. § 704.

A grantable petition under 37 CFR 1.137(b)¹ must be accompanied by: (1) the required reply,² unless previously filed; (2) the petition fee as set forth in 37 CFR 1.17(m); (3) a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional; and (4) any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required by 37 CFR 1.137(c). Where there is a question as to whether either the abandonment or the delay in filing a petition under 37 CFR 1.137 was unintentional, the Commissioner may require additional information. See MPEP 711.03(c)(III)(C) and (D). The instant petition lack(s) item(s) (1).

¹ As amended effective December 1, 1997. See Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53194-95 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 119-20 (October 21, 1997).

² In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

The application became abandoned for failure to timely file a reply within the meaning of 37 CFR 1.113 to the final Office action of October 8, 2002. The proposed reply required for consideration of a petition to revive must be a Notice of Appeal (and appeal fee required by 37 CFR 1.17(b)), an amendment that *prima facie* places the application in condition for allowance, or the filing of a continuing application. See MPEP 711.03(c)(III)(A)(2). Since the amendment submitted does not *prima facie* place the application in condition for allowance, the reply required must be a Notice of Appeal (and appeal fee) or the filing of a continuing application. Alternatively, the reply requirement may be met by the filing of a submission under 37 CFR 1.129(a) if the above-identified application is eligible for such transitional practice.

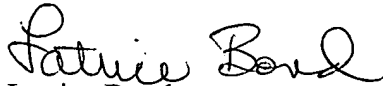

Further correspondence with respect to this matter should be addressed as follows:
